Bathtub

Black and white, the two most fundamental colors in nature, modestly present a tranquil and superb space.

creative space

White

Color is also a way to express one's individuality, and the style of a home reveals the true inner feelings of the designer and the host.

1750×850×600mm

Black and white, the two most fundamental colors in nature, modestly present a tranquil and superb space.

B25912W-1
1900X800X560mm

Squares and upright modeling, consistent in taste and style. Excellent proportions make your bathroom a daily source of enjoyment.

Creative "One Piece Integration" design, integrate bathtub with a leisure bar.

Black

Not all colors require specific expression, nor does all space need exaggerating colors. We adopt black elements to match the rationality of our products with their artistic abstraction perfectly, and in concert with the host's low-key and sophisticated personality, create a wonderful melody like a beautiful painting.

Black

Only design can guarantee the desired quality of life and a more satisfied living style. The design by BRAVAT CONCEPT will enable you a totally new formation of life.

B25515W-1
1500X800X560mm

The combination of bathtub/faucet/ceramic articles of similar style can create infinite change to satisfy people's desire of pursuing varied design and function of the bathtub.

Twin

Two-person bathtub allows no waste of space. Maximal immersion in water satisfies people's demand of water and makes the bathroom the best space for family members to communicate with each other and reflect.

B25904W
1900X1200X500mm

Releasing ourselves from the pressures of the day, we take in the luxurious visual of the physical design. Soaking in the pleasures of bathing together, we share the generous features of the bathing tub. It is in these moments we feel the true joining together of us as a whole.

Massage

The private space of the massage spa tub helps eliminate the strains of the workday. Your pores soak in the negative ions and oxygen releases in the bubbling waters. You are revitalized as your body's circulation is improved and the release of toxins causing fatigue is accelerated. Restart. Refresh.

B25904W-2
1900X1200X650mm

- ① ② ③ ④ Underwater light
Specially configured with underwater light, fill your bathroom with colorful pleasure

Overflow massage bathtub

Spring season is not just a color. It is a layer-upon-layer color work, natural without affectation. Since human beings form a part of nature, they obtain power from purified design, and therefore, no longer care about the complication of the world.

B25001W-4 2120×1300×610mm
B25903W-4 1900×1300×640mm

Square

The golden sunshine sprinkles in through the window while you sip a cup of home brewed coffee. You leisurely enter the welcoming steam of the bathtub. With the surrounding warmth, your weariness melts away and your private journey starts.

B25310W
1300x1240x435mm

Corner

The private space of the massage spa tub helps eliminate the strains of the workday. Your pores soak in the negative ions and oxygen releases in the bubbling waters. You are revitalized as your body's circulation is improved and the release of toxins causing fatigue is accelerated. Restart. Refresh.

BRAVAT provides a new life experience, shows a delicate living quality, and presents enjoyable delights of life. Every detail has become a focal point.

BRAVAT CONCEPT always represents the design style of delicacy, eternal and terseness which has been popularly followed by the interior design engineers in the world in the past, and provided the inexhaustible and admirable design work that as perfectly defined the limitless enthusiasm and experience of people's living and life.

Cross

BRAVAT CONCEPT is formed by adding humanism and modernism into a fashion which represents a young culture and defines BRAVAT Products through a diversified design style to guide its users into a world of boundless imagination.

F61018C-C

perfect

The perfected design of the 3rd generation provides innovative new arrangements that are truly on the cutting edge for home products.

Uniquely invented

natural manner of water flowing brings people back to the most primitive memory of mankind and merges life and nature into an integral whole

Water fall spout

Uniquely invented natural manner of water

FS105C
bath spout
width size:180mm

Shower head

Morning, you need the power of refreshing body sprays or the full coverage of a Rain Shower.

Crystal

The scintillating soul of design, an infinite source of inspiration, precision cut crystal elements have become an essential ingredient of luxury, mutually beneficial collaboration with great idea.

Flat

Create a charismatic living environment and give ourselves a tasteful life.

Design expresses comprehensive elements such as nature, society, history, aesthetics and psychology. Design closer to the nature of life has more impact. Bravat does not specially pursue too many eye-catching changes but seek the most natural simplicity and purity.

Sliding bar

Flat

Create a charismatic living environment and give ourselves a tasteful life.

Black

Create a charismatic living environment and give ourselves a tasteful life.

Classic

Visually pleasing design, Perfected arrangement provides genuine pleasure in use.

Kovan melody Singapore

Wing Tai Holdings Limited is one of Singapore's leading property developer and lifestyle company widely recognised for quality in its property developments. Listed in Singapore since 1989, Wing Tai started in Hong Kong as a garment manufacturer in the 1950's. It later expanded its operations to Singapore and Malaysia in the early 1960's and entered the property market in Singapore in 1978. Nine years later, Wing Tai became a major property player with a niche reputation for delivering premium developments with innovative design, finishes and workmanship due to its dedicated attention to detail and quality. To date the company has an extensive landbank of choice sites in Singapore and has developed more than 71 projects in region. Apart from its main core business in property investment, development and management, Wing Tai's other business interests include hospitality management, apparel retailing and food franchise operations.

PALM OASIS
BY MASALAH ARCHITECTURE

Qunci Villas

Palm Oasis

Singapore

Qunci Villas

Indonesia

Constructed in the Canarian colonial style, this superb complex, purpose-built for vacation ownership, is set in lush, tropical gardens with palm trees, a large variety of cacti, plants, and flowers. The well-equipped and air-conditioned units have a private whirlpool in the bathroom, as well as satellite televisions and telephones in each room. Most units have breathtaking views towards the golden sand dunes of Maspalomas and the Atlantic Ocean.

The Villa complex is comprised of 20 units on a beautifully landscaped beachfront property peppered with swaying palms and lush tropical plants. The Villas are a tasteful mixture of modern architecture combined with the architectural style of Lombok and Bali. Designed by Joost Van Grieken, the renowned Dutch architect residing in Bali, Qunci Villas is specifically designed to take full advantage of the stunning views across the exotic gardens out across the sparkling blue waters of the Lombok Straits.

Ferraria Park

Singapore

The hotel is in front of the central train station S. Maria Novella in the city center. It is close to the congress center, piazza Duomo and all the other monuments of Florence. All the rooms are quiet and sunny. The windows look out onto the most important monuments and have a view of the hills around Florence. The hotel is on the third floor of an historic building of the 19th century. There is a private elevator to reach the hotel.

Karma Jimbaran

Indonesia

Enjoy a truly magical sunset experience on the cliffs of Uluwatu. A 20 minute drive in the late afternoon will find you arriving at Bale Kandara to enjoy the spectacular view over the cliffs of Uluwatu and onwards to the oceans horizon. At the Bale your private waiter awaits you with a selection of Canapes to enjoy with your chosen Cocktail. As you relax in the bale the sun sets, turning your amazing vista into a truly unique experience. When you feel the time has come to depart your Bale paradise a candlelit pathway awaits you leading down to your car and driver for a return to Karma Jimbaran.

Boracay Regency

Philippines

Experience the crystal clear waters and powder-white sand of the island like never before with Boracay Regency. With its striking Mediterranean-inspired architecture, landscaped gardens and expansive beach front, this is a resort that stands unparalleled in beauty and service in the entire island. Boracay Regency allows you to relax and luxuriate within its 285 world-class rooms with service that promises an unparalleled experience.

A-Barari Dubai

Al Barari is a celebration of culture; the development will feature a self-contained Kasbah. Amphitheatres, art galleries, music, dance and art schools. A connoisseur can wander through them even while admiring the striking authentic Islamic architecture, recreated by the renowned Dar al Omran, winner of several Aga Khan Islamic architecture awards.

The Kasbah will feature restaurants offering world class cuisine and retail outlets such as delicatessens, furniture stores and cigar bars. In addition, the Kasbah will be home to unique boutique offices that will inspire and encourage creativity.

The final ace in Al Barari's offering is to own and operate one of the largest plant nurseries in the region, providing the entire project with its magnificent and unusual plants. For the past three years, Al Barari has researched various species of plants and has now introduced 1800 new species of plants never before seen in the U.A.E.

The Aalto Singapore

A haven away from the bustle of the city perfectly balanced between exclusivity and convenience, Aalto is a study in the art of living. And if our immaculate attention to detail has moved you, it's only because you've arrived at your perfect home.

Cupecoy Yacht club Saint Martin

Cupecoy Yacht Club is a project currently under development in Saint Martin. The project is situated on the west side of Cupecoy Bay and is being designed in the style of a European seaside village with boutiques, restaurants and a 40-berth marina which can accommodate megayachts. The Cupecoy Yacht club will consist of 169 condominiums ranging from 750 to 3,000 square feet. The first units will be ready for the fall of 2007 and have already they have already sold twenty percent of the complex in the first two months of pre-construction sales.
